Captains should arrive at church at least 15 minutes prior to the start of Mass.

Please make sure there are enough hosts for your mass. You can do this by checking the Credence table. Look for the chalice/purificator/paten/pall set up (9:00 and 11:00 only). Underneath the pall could be extra hosts as well as the larger host the priest will consecrate. You can also check the offertory table. One ciborium should be filled. If your mass is larger, you might ask the presiding priest if he thinks we need another ciborium filled with hosts.

Make sure the key is in the tabernacle before Mass begins.

Less is more when it comes to wine. Unless you are aware of a very full Mass, please do not fill the larger cruet to the top. Half way is generally sufficient. The smaller cruet can be filled to the top.
